

5/26/09

I am writing this letter to recommend Russell Bryant. Russell has represented our company for over 12 years and we are extremely pleased with all the work he has done for us.

Russell has represented us on all types of matters from small disputes to a \$400,000 employee embezzlement.

He has given the required attention to all these matters whether large or small. Again we recommend Russell Bryant as an individual and an attorney.

Charles C. Ray, Jr.
